DRIVE-IN THEATRE REPLACEMENT PARTS
AND ASSEMBLIES

PRICE INCREASE

Since our founding in 1948, SPECO (Formerly Drive-In Theatre Mfg. Co.) has strived to offer quality products at affordable prices. Our last partial price increase was in 2005. We have not had an across the board price increase since 1993. With material costs, labor costs and transportation costs all increasing, we regret to inform you that we have no alternative but to issue price increases on all items in this category of products.

This price increase is effective immediately - March 01, 2008
